Nuts & Botanical Oils

The 2026 Collection

WWW.ORGANICBASICFOOD.COM

*Pure ingredients, plainly labeled,
in the sizes a real kitchen reaches for.*

Organic Basic Food opened in 1995 as one of Hoboken's early organic groceries. Three decades of buying, tasting, and restocking taught us exactly what earns a place on the shelf.

That experience now ships under two focused labels. Organic Basic Food is our single-ingredient nut line, made with carefully selected certified-organic nuts and never salted. Seedeory is our apothecary of essential, cold-pressed, and beauty oils, drawn from carefully selected botanicals without chemical solvents. Everything in these pages is something we keep at home.

PART I

The Nut Pantry

Six varieties. One ingredient each.

SINGLE INGREDIENT · RAW OR DRY ROASTED · NEVER SALTED

Raw, unroasted, and portioned by hand in New Jersey.

THE NUT PANTRY · I

Raw & Unsalted

Raw Walnuts

RAW HALVES & PIECES · UNROASTED & UNSALTED

Earthy, tender halves and pieces with naturally occurring ALA omega-3s, left unroasted so they arrive tasting of the orchard rather than the roaster.

1 OZ · 6 OZ · 12 OZ

INGREDIENTS · 100% Pure Walnuts

Raw Almonds

RAW & WHOLE · UNROASTED & UNSALTED

Clean, lightly sweet, and firm to the bite. One ingredient that moves easily between the snack bowl, the blender, and the baking sheet.

1 OZ · 7.5 OZ · 16 OZ

INGREDIENTS · 100% Pure Almonds

Raw Cashews

RAW & WHOLE · UNROASTED & UNSALTED

Naturally sweet and soft enough to blend silky: the quiet workhorse behind cashew cream, weeknight stir-fries, and dairy-free sauces.

1 OZ · 8 OZ · 16 OZ

INGREDIENTS · 100% Pure Cashews

THE NUT PANTRY · II

Rich & Distinctive

Raw Pecans

RAW HALVES & PIECES · UNROASTED & UNSALTED

Buttery halves and pieces with dessert sweetness built in, equally at home in morning oatmeal and holiday pie.

1 OZ · 6 OZ · 12 OZ

INGREDIENTS · 100% Pure Pecans

Raw Brazil Nuts

RAW & WHOLE · UNSALTED

Dense, creamy kernels and one of nature's most concentrated sources of selenium. A few go a long way.

1 OZ · 8.5 OZ · 16 OZ

INGREDIENTS · 100% Pure Brazil Nuts

In-Shell Pistachios

DRY ROASTED · UNSALTED · NO OIL

Dry roasted in the shell with nothing added, so the flavor is all pistachio. The shell sets the pace; the bowl empties slower.

8 OZ · 16 OZ

INGREDIENTS · 100% Pistachios

From the counter at our first market: nuts by the bowl, oils by the drop.

The Variety Packs

The Discovery Pack

FIVE VARIETIES · SINGLE-SERVE

One of each variety in single-serve bags: a portioned introduction to the whole pantry, sized for lunchboxes, desks, and travel days.

1 OZ × 5 BAGS

The Medium-Size Pantry Set

SIX VARIETIES · MEDIUM SIZES

All six nut varieties in medium sizes, including in-shell pistachios. A pantry in a single order, and a gift that gets finished.

M SIZE × 6 BAGS

Five varieties in individual 1 oz bags—an easy way to try them all.

THE SINGLE-INGREDIENT PROMISE

Every bag lists exactly one ingredient. Season your own kitchen; we'll keep the harvest as it came.

NO SALT · NO ADDED OIL · NO PRESERVATIVES · VEGAN & NON-GMO

THE SEEDEORY STANDARD

Seedeory keeps each formula focused on a single botanical, with nothing unnecessary: cold-pressed black seed and castor oils, wild-crafted oregano oil, 100% pure essential oils, jojoba oil, and Damask rosewater.

Every bottle is vegan, Non-GMO, and halal-certified. The oils are naturally derived and cruelty-free. Black seed, oregano, and castor oils are USDA Organic and certified by Ceres.

For aromatic and topical use as directed; dilute with a carrier oil before applying to skin.
